The book is written by Dr. Kristi Funk, a world-renowned breast cancer surgeon and the founder of the Pink Lotus Breast Center. Dr. Funk has dedicated her life to helping people with cancer live their best lives. In this book, she shares her insights and experiences, as well as the stories of her patients.

Living Really Living With One Of The Planet's Most Dreaded Diseases is divided into three parts. Part One provides an overview of cancer, including the different types of cancer, the causes of cancer, and the treatments for cancer. Part Two focuses on the emotional and spiritual aspects of living with cancer. Dr. Funk discusses the importance of hope, resilience, and self-care. Part Three offers practical advice for living well with cancer, including tips on nutrition, exercise, and stress management.

Living Really Living With One Of The Planet's Most Dreaded Diseases is a valuable resource for anyone who is facing cancer. Dr. Funk's insights and experiences are invaluable, and her practical advice can help people with cancer live their best lives.
