One day, John had a life-changing encounter that would forever alter the course of his life. He met a successful entrepreneur who was passionate about using his business to make a difference in the world. This entrepreneur convinced John that true success and fulfillment came from embracing your purpose and sharing your message with the world.

Inspired by this encounter, John decided to start an online business that would help other entrepreneurs find their purpose and build businesses with a social conscience. He called his business "The Purpose Driven Entrepreneur."

At first, John's business struggled. He had no experience in marketing or sales, and he didn't know how to reach his target audience. But he refused to give up. He kept working hard and spreading his message, one person at a time.

Slowly but surely, John's business began to grow. He started to attract clients who were passionate about making a difference in the world. And as his business grew, so did his sense of purpose and fulfillment.

The story of John Smith is a powerful example of the transformative power of purpose and evangelism. When you find your purpose and share your message with the world, you can achieve success, fulfillment, and a life that truly matters.

Purpose is what drives you forward. It's the reason why you get out of bed in the morning and why you keep going even when things get tough. When you have a strong sense of purpose, you are more likely to be successful in all areas of your life.

Evangelism is the act of sharing your passion and message with the world. It's about inspiring others to see the world as you do and to take action to make a difference. When you evangelize your purpose, you are not only helping yourself; you are also helping others to find their purpose and live a more fulfilling life.

If you want to become an entrepreneur evangelist, there are a few things you need to do:

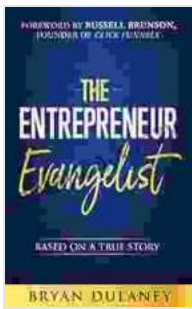

1. **Find your purpose.** What is your unique calling in life? What are you passionate about? What do you want to accomplish with your life?
2. **Embrace evangelism.** Share your passion and message with the world. Inspire others to see the world as you do and to take action to make a difference.
3. **Build a business with a social conscience.** Use your business to make a positive impact on the world. Donate a portion of your profits to charity, or use your business to solve a social problem.

Becoming an entrepreneur evangelist is not easy, but it is one of the most rewarding things you can do. When you embrace your purpose and share your message with the world, you can achieve success, fulfillment, and a life that truly matters.

The Entrepreneur Evangelist is a must-read for anyone seeking success, fulfillment, and a life that matters. This inspiring true story shows how the power of purpose and evangelism can transform your life and business.
