

The Routledge Companion to Military Conflict Since 1945: An Indispensable Guide to Post-World War II Warfare

The Routledge Companion to Military Conflict Since 1945 is the most comprehensive and up-to-date reference work available on the history of warfare in the post-World War II era. This authoritative volume brings together a team of leading international scholars to provide a global perspective on the major conflicts and developments in military affairs since the end of the Second World War.

The book is divided into five parts, each of which covers a different aspect of military conflict since 1945:

Routledge Companion to Military Conflict since 1945 (Routledge Companions) by John Richard Thackrah
