

Unveiling the Power of Short Stories and Metaphors with "Beneficial Short Stories and Metaphors"

An Enchanting Journey into the Depths of Human Existence

Common Metaphors In Literature
In the speech by Martin Luther King Jr., he equates light with freedom and the speech. Here are the exact words:
"The momentous decree came as a great beacon light of hope to millions of Negro slaves who had been in the flames of withering injustice as a joyous daybreak to end the long night of their captivity. Now is the time to rise from the dark and desolate valley of segregation to the sunlit path of racial justice."
