Summertime and the living is easy. Or at least it's supposed to be. But for one young boy, summer meant one thing: Vacation Bible School.

J.D. Wright's *Vacation Bible Snooze Tales From The Back Pew* is a hilarious look back at one boy's childhood summers spent in Vacation Bible School. From the first day of VBS, when he's assigned to the "back pew," to the last day, when he finally learns the true meaning of Vacation Bible School, Wright's stories will have you laughing out loud.

With a keen eye for detail and an ear for dialogue, Wright captures the sights and sounds of VBS like no one else. From the sound of the Bible being read aloud to the smell of the crayons being passed around, Wright's stories will transport you back to your own childhood summers.

But *Vacation Bible Snooze Tales From The Back Pew* is more than just a collection of funny stories. It's also a reminder of the important lessons that we learn in childhood, lessons about faith, friendship, and love.

Whether you're a former VBS attendee or just someone who loves a good laugh, *Vacation Bible Snooze Tales From The Back Pew* is a book you won't want to miss.
